

# Bus Rider Guide 2018-19

## Steps to taking the public school bus:

1. Call the South Whidbey School District Transportation office at **(360) 221-5209** to be assigned a bus route.
2. Email ICA (or mail in form at the bottom of this page) with the following information: student's name, name of bus your child will be riding, days and times your child will be taking the bus, drop off cross roads and an emergency contact person and phone number available during bus transporting times.
3. Review with your child the name of their bus and riding days and times.

## Changes

Please contact ICA by phone or email prior to 3 p.m. if you will be picking up your child rather than having them ride the bus.

Any permanent changes to your child's bus routine should be submitted to the ICA office in writing.

THANK YOU!
