

Quest #1 First Quarter

Social Quest (30 points)

This Quest is the emphasis for the first two weeks of quarter one, but can be reported anytime before the end of the quarter (November 6).

What to do:

Sit with someone at lunch or talk to someone out at recess you don't know well. Ask them three questions that start with the following (you make up the rest of the question).

1. What is your favorite...
2. Have you ever...
3. Where...

Why would we want to do this? It helps develop the skill of meeting new people. These questions may lead to other questions and a friendship may begin!

Reporting for house points:

3rd grade and higher: Turn in a paper detailing with whom you talked and the questions you asked

PK-2nd may report the same information verbally to the recess monitors, Mrs. Ohme, or your parents, who can write it down for you or email Mrs. Ohme (islandchristianacademy@gmail.com).
