CHRISTMAS TREE TODAY!

Island Christian Academy PTO is pre-selling the finest quality Christmas trees available.

These hand selected, hand pruned, grade A Nobel Fir trees are higher quality than you can buy at most tree stands or any national chain.

These trees come from one of the only 'Certified Sustainable Green Practice' farms in the NW.

Ordering is easy: Just fill out the order form to the right and return with your payment to the school. You will be given a receipt that must be presented when picking up your tree. Take that receipt to the Freeland Skagit Farmers Supply Orphan Trees Stand and pick out your perfect tree! ICA PTO earns \$20 for each tree sold!
